

June 22, 2010

Another year is drawing quickly to an end. Today is the last day of classes for our Junior High students and Senior High students are already in the midst of final exams. It has been another great year and we thank you for your ongoing support of HRH. We are very proud of our students and their accomplishments both in and out of the classroom - academically, athletically, and within the community.

Regarding year end report cards, most of our families access our online reporting system which is not only a great paper saver, it keeps families better informed. Staff will enter final exam marks within a day to two of the exam date.

**Please note that detailed student reports will be available only until June 30<sup>th</sup>. After that, final course marks will be available in the transcript section of the online system. This section displays only the course mark.**

To access our online system, go to:

<http://hrh.livingwaters.ab.ca/homeologic/>

and enter your userID and password.

If you have any problems or would like to be added to online system, call the school at 780-723-7437 for assistance.
