## **RUTHERFORD SCHOLARSHIP**

- Does your child qualify?  
Any student who attends a recognized post-secondary institution and has maintained a 75% or 80% plus average in grades 10, 11 and/or 12 automatically qualifies for this scholarship. In the spring, Mrs. Wittig will ensure that all of our grades 12's complete the application form. For detailed course requirements you can use this link:

<http://alis.alberta.ca/pdf/scholarships/RutherfordScholarship.pdf>

It is worth noting that CTS modules in any combination within one grade level are eligible. Also, note the core courses that qualify. (Note: Math 10C, 20-1 and 20-2 also qualify). Alberta Education always takes a student's best course combination to determine a student's eligibility.

## **RETURN REGISTRATION FORM**

- Please be sure to send your **Return Registration** form back so we can update your current address and info in our student records. Not sure what this is? Please call the school (780)723-7437 for more information.
