

February 2010

Dear Parents / Guardians,

The HRH Parent Council would like to provide breakfast to our students.

The pilot project began in December 2009 and run until June 2010. The breakfast will be offered once a month, with the possibility of being offered weekly.

As a parent council, we feel that a good breakfast is important for our students. Studies have shown that breakfast is beneficial to get your body and brain fueled for the day. We also understand there are many varied reasons why breakfast is not eaten before students arrive at school. Parent council would like to provide breakfast for each and every student that wishes to have one.

Providing breakfast is a huge undertaking and will not be successful without support from our parents / guardians. Currently, we are looking for any monetary donations that can be given to get our Breakfast Project up and operating. If you would like to make a donation, either personally or from your business, it can be dropped off at the school office, attention HRH Parent Council – Breakfast Project donation. Please make cheques payable to HRH Parent Council. Remember, no donation is too small; a little goes a long way. Also, as the breakfast project increases in popularity, we will also be requiring volunteers to help serve breakfast.

The first breakfast was on December 9, 2009 and it was a pancake breakfast, consisting of two 4-inch pancakes per student. Parent council would also like to offer a variety of breakfasts, not always pancakes.

If you have any questions or require further information, please contact Corry Detillieux at 780-723-3108.

Thank you for your support and we truly appreciate any donation to our Breakfast Project that you are able to make.

Sincerely,
